Girls & Guys Organized for Anointed Living, Inc.

Dear Potential Sponsor and Donor:

We would like to kindly request a donation or ongoing support from you or your company as we prepare for our upcoming Radiant Pearl Benefit that will be provided through Girls and Guys Organized for Anointed Living, Inc. (GOAL) which is a 501(c) (3) non-profit organization in collaboration with other tremendous organizations that will be shared in the weeks to come. GOAL provides a number of seasonal services while we raise funds for children and parents who may not be able to afford quality programming outside of school. It is our goal to continue offering opportunities for educational, social, spiritual and personal growth at little to no expense to the youth in the community. Each year we host events in the community that expose guys and girls to scholarship programs, the arts and service projects in the local Henry, Fayette, Cowetta, Dekalb and Fulton counties.

Our fall charity mentorship program event entitled "A College Preparation Challenge proved to be a tremendous success. It is an extension of our seasonal programming as our graduating seniors prepare for college and we offer our community youth the opportunity to learn from college graduates and grad students how to effectively prepare their applications for college acceptance. We also collaborate to offer one-on-one workshop style opportunities to work on college essays, book college tours and offer words of wisdom for a great jumpstart to a new exciting season in their lives.

We anticipate impacting the lives of more high schoolers and youth in our community through our Radiant Pearl Benefit on Saturday, August 19, 2019. It is our sincere desire to continue raising funds towards our Serve Our Cities initiative where we visit local nursing homes, children's homes and bring merriment and cheer in the form of crafts created by our members, food and heartwarming musical performances for those who are ill and otherwise cannot be with their loved ones throughout the year.

Moreover, we developed a scholarship program to be awarded to deserving youth in the arts and service. There will be at least 3 students awarded scholarships at the upcoming Radiant Pearl Benefit. 1. A graduating senior from our mentoring program 2. A nominated scholar from the community and 3. A student currently enrolled in higher or continuing education in one of the counties we serve. We plan to award students nominated in the cities we serve and recognize the youth for their dedication to the arts and service. However, we need your help to make this community building endeavor a success as we fundraise and empower today and tomorrow's leader together.

We would love to see how you could help us through any kind of sponsorship or donation to go towards the cost of the venue, refreshments, materials or gifts needed to make this event successful. Our members and program participants come from different cultures and home

structures. GOAL has become a safe haven for many. During our programs, participants share their talents in the arts and develop their social and presentation skills. We offer one on one tutoring, mentorship and seasonal projects that reach a widespread of communities. Fayetteville, Lawrenceville, McDonough, Fairburn, Tyrone, Newnan, College Park, Union City, Peachtree City & Atlanta are a few cities our members call home.

We are requesting you to make a donation/in-kind donation or to sponsor one of our community members for our Summer season project at the Lifeline Charity level of \$500.00 or more as outlined on the previous page.

You may choose to contribute on another level as no level of contribution will be too small. For additional information contact us at 678.768.7154 or email us at info@anointedliving.org. We look forward to your kind response in helping us to make our seasonal initiatives a life changing experience for all who will be in attendance. We truly hope you will consider being an ongoing sponsor of our benefit and programs.

Sincerely,
Stacy A. Zant, Founder, Girls & Guys Organized for Anointed Living, Inc.
